# EVERSON MEETING LAST NIGHT RECALLS OLD POLITICAL DAYS.

With Banners, Red Fire, Music and Addresses Fight In ot respect to the deceived the office of director in twice possibility was at lowed to be vecam for a time Fayette Is Formally Opened.

### MONSTER CROWD IS PRESENT.

From Ail Over County Came Delega tions and Speeches Were Made by Congressman Copper, James S. Beacom, M M Garland and Prof Car-

The campaign of Fivetto county was irraugulated in a blaze of plora at Everson Treeday might it was the the Republican Club The receipt was a decided success in even to spect and great enthusiasm devel oped among the spectators before the evening's program came to an end

Preliminary to the rousing session in the rooms of the Tyrone Club there was a parade participated in by sever ar hundred eathusins in Republicans The Limitown delegation vas unitionned in high white hats a d linen And all the level to the head the head of the reversion to an all the reversion to a secondary to the reversion to the reversion to a secondary to the reversion to a secondary to the reversion to a secondary to the reversion to the dusters and held the head of the line There were bunners red fire torches and all the recessary accessomes to a successful politicit me ting. The

and hilding ridicule to the commercial of the fierest attacks of Mi Hearst Sues and arguments of William for mags Bry in Pres silver militarism imperialism and the latest hunder, the prince note decounced as my contry evils which have save the last been required by the num who been required by the num who unweighted to the part of the first second control to protein or the part of the first second control to the first second control

The loading specified of execution of the Armistan field Association of the Armistan field Armistan field Association of the Armistan field As

iyears the Democrats were in power which the head of the Americas Federation of Libor stated that the tendence of the times was for longe hours and less pas where there was work at all. At that time Gompers re-ported 3 000 000 unemployed men from the ranks of labor Compers also stated in his reports the speaker which that the terrible period for wage curn

ers had practically ended with the dawn of the new year, 189° the first of WcKinjey administration.

Even three weeks ago continued Garland, Mr Gompers has stated that the present depression had not result ed in any general reduction of wages although there had been a slight ten lency to increase the number of hour

of labor of Idoa.

The present depression has not let to occasioned by the policies of the Republican party. The people may can retain a grave suspiction that President Roosevelts retorm policies has caused the apposition of certain none, it wers and thereby can edit important depression by in spite of this view we must curve out the policies of reform which have been in against of the grave of the grave of the policies. If Garland referred to Bruns at litting towards the laboring man when
